### Owner or Owner's Agent Acceptance of Terms for CSD Weatherization Services (to be completed by the Owner or Owner's Agent)

I agree to accept all of the following TERMS required for my rental property to receive services from the Department of Community Services and Development (CSD) weatherization program(s):

1. I certify that I am the Owner (or Owner's Agent) of the above-listed rental property.
2. I grant the Contractor/Agency permission to enter my property to perform assessments, conduct diagnostics, take photos only of weatherization work to be performed or deferred (as it relates to individual or whole house services), install feasible weatherization measures and perform inspections in accordance with CSD weatherization program policies and standards to the above-listed rental property.
3. I acknowledge that an assessment of my property is necessary to determine the work that can be performed and that the work that is available may be limited due to the needs and condition of my property. Identified work may not be provided if it does not meet all program requirements and specifications and may lead to full or partial deferral of work. My refusal of certain work may prevent the installation of other identified work in accordance to program requirements.
4. I shall not remove any energy conservation measures unless they are damaged or no longer functional in the rental property from where they were installed. If the replaced item (i.e. refrigerator or other appliance) was the personal property of my tenant, the tenant shall retain the replacement energy conservation measure installed by the CSD weatherization program(s).
5. I hereby release and pledge to hold harmless the Contractor/Agency listed below, and its staff, from any liability in connection with any work identified on a summarized list except as a consequence of gross negligence or willful and wanton misconduct.
6. I grant the Contractor/Agency, local, State and/or Federal inspectors permission to enter the dwelling after reasonable notice to perform inspections to verify the existence and quality of work performed by the Contractor/Agency and compliance with local, State, and/or Federal building codes and programmatic guidelines and acknowledge that a permit may be required for specific weatherization work. I understand that I may be held financially responsible for the weatherization work if I refuse to allow access for inspection and permitting purposes.

## ENERGY SERVICE AGREEMENT FOR RENTAL PROPERTY OWNER

7. I certify that I, as the Owner or Owner's Agent, shall not raise the rent of any weatherized unit for a period of two years from the date of weatherization-because of the increased value of the unit due solely to weatherization measures provided (allowable factors for rent increase include an actual increase in property taxes, actual cost of amortizing other improvements to the property accomplished after the date of work completed by the Contractor/Agency, or actual increases in expenses of maintaining and operating this property).
8. I acknowledge and agree that this property is not for sale at the time of qualifying for the program and will not be offered for sale or otherwise distributed for at least sixty days following the completion of weatherization services.
9. I certify that I shall provide a copy of this Agreement explaining its terms to all tenants and subsequent tenants residing in the unit within the two year period. **Complaint Process:** In the event the provisions of this Agreement related to increased rent or the landlord's failure to decrease utility costs for master metered units are not met, tenants may contact the Contractor/Agency to submit a verbal or written complaint, which will be investigated. Contractor/Agency contact information is located on this Agreement under the section entitled, "Contractor/Agency Assurance."

**Mobile Home Units ONLY:**

10. I acknowledge that my property may not receive services that require a permit if the registration is not up-to-date.

**Master-Metered Dwellings ONLY:**

11. I authorize the Contractor/Agency to access my complex's utility company master-metered records to obtain only energy usage data for a period of one year before and two years after weatherization measures are installed.
12. I certify that I, as the Owner or Owner's Agent, shall ensure that gas or electric service, or both, that is provided by a master-meter to tenants shall be charged at the utilities' costs in accordance with California Public Utilities Commission Code Section 739.5 or other applicable government regulations.

**Additional Certification for Unoccupied Multi-Unit Dwellings ONLY:**

13. I agree that "rent" is defined as the tenant's monthly payment to the Owner (non-subsidized housing) or the contract rent (subsidized housing).
14. I shall submit to the Contractor/Agency a schedule of rents prior to commencement of work.
15. Federal, State or Local Government Rehabilitation Projects only: I certify that if a vacant unit is counted as being an eligible household for purposes of meeting the minimum threshold for whole building weatherization (66% rule), then the unit will become occupied by an eligible family within 180 days after the completion of weatherization (CFR 440.22(b)(2)(ii)).

**I CERTIFY THAT I am the Owner or Owner's Agent of the Dwelling or Complex listed above, and that all given statements are true and correct to the best of my knowledge. I have read and understand these TERMS and RELEASE, and agree to be bound by all of its terms and conditions in order for my property to receive weatherization services under the CSD weatherization program(s).**
