

The Volunteer Center of the Redwoods

The spirit of volunteerism is strong on the North Coast. Many local non-profit agencies offer valuable services to our community and rely on volunteers to help them get their work done. The Volunteer Center helps match volunteers with agencies to create winning combinations.

As a Mentor, you are already aware of the importance of volunteerism and service. You can help teach these important values to your mentee by volunteering together, either on an on-going basis, or just now and then.

Contact the Volunteer Center if you are interested in exploring ideas about ways that you and your mentee can volunteer together.

The Drop of a Hat Brigade

- ✍ This program of the Volunteer Center offers flexible, short-term volunteer opportunities.

When you sign up with the *Drop of a Hat Brigade*, you let us know your areas of interest and geographic preference. You can help with community events like food drives and beach clean-ups, or you can help a non-profit with a bulk mailing of their newsletter. We will contact you with up-coming short-term volunteer opportunities either by email or by phone, whichever is more convenient for you. You and your mentee will always have the option of saying “yes” or “no” to volunteering and we will try to contact you based on your preferences. This is a good way to introduce your mentee to a variety of activities and community groups, and to have fun and meet others at the same time.
