

# Summer Service Plans

Due April 30, 2008

**All members** must complete this form to verify their summer service plans. If your regular site will continue to have sufficient hours for you during the summer months, you are expected to continue to serve at that site. If your regular service site will be closed during the summer months, you need to contact a site within the Straight Up Partnership to complete your summer hours. See **“Summer Service Site Opportunities”** on the back of this form, to see which sites are appropriate for summer hours.

# Straight Up AmeriCorps Summer Service Site Opportunities

Summer 2008/last updated April 22, 2008

**AmeriCorps Members:** If your site will not be providing you with summer hours, you will need to contact one of the sites below to arrange your summer service hours. Do not contact any of these sites until you have spoken with your current site supervisor and confirmed that there will be no summer hours at your current site. Once you have arranged your summer service, you need to turn in the **Summer Service Plans Form** to the Straight Up Office.

Remember—you are required to serve until the end date of your contract, July 11, or August 8.
